MES COLLEGE MARAMPALLY

AL-FATHIHA

(The opening)

"In the name of God
The Beneficent, the Merciful
Praise be to god, Lord of the worlds,
The Beneficent, the Merciful
Owner of the Day of Judgment
Thee do we worship,
Thee do we ask for help,
Guide us to the right path,
The path of those on whom
Thou hast bestowed thy Grace
Not (the path) of those who earn
Thine anger nor of those
Who go astray".
(Holy Qur-an)

PROFILE OF THE MUSLIM EDUCATIONAL SOCIETY (MES)

Muslim Educational Society was founded in 1964 at Calicut under the tutelage of the inspiring personality Late Dr. P.K. Abdul Ghafoor. From its humble beginning MES has become a pioneer among educational agencies in Kerala. During the initial stages MES focused in educating the Muslim Community, who then had not recognised the importance of modern education. The sincere efforts by MES to bring Muslim community into the mainstream have gained accolades from every walk of the society.

Today MES has become one of the biggest academic organization in India, and owe its success to the vision of Late. Dr. P.K. Abdul Gafoor. Currently MES has a Medical College, Dental College and Nursing College at Perinthalmanna, Engineering Colleges at Kuttippuram, Kunnukara and Chathannoor, Training Colleges at Edathala and Edathanattukara and Aided Arts and Science Colleges at Mannarkad, Ponnani, Kodungallur, Mampad, Valanchery, Nedumkandam and Marampally. There are about twenty self financing Arts and Science Colleges, Higher Secondary Schools, Orphanages, Hospitals etc. are successfully running at various parts of Kerala under Muslim Educational Society.

THE MES CREST

The Inscription on top of the emblem is a verse from the Holy Quran which means “Oh Lord Enlighten Us”. The balance below signifies the notion of prevailing justice in Islam. The crescent moon and star represent the Muslims across the world. The open script on the top left corner of the core of the emblem represents Holy Quran, the source of all knowledge . Beside it the flamb-eau of Islamic culture is held in sturdy hand. The alphabets MES in the middle is the acroynm for Muslim Educational Society. The coconut trees below symbolise the viridescent land scape of Kerala. The quill pen in the banged hand denotes importance of women empowerment in Islam. The bottom of the crest includes the name of the organization and the year of inception.

➤ **VISION**

To work for the educational, social and economic advancement of the people of India in all possible ways.

➤ **MISSION**

To promote higher and technical education and improve the standard and quality of education among the people in general, minorities and backward classes in particular.

➤ **OBJECTIVES**

- The main objective of the MES is educational, social and cultural up-lift of the marginalised.
- The institution adheres to the secularist core values which affirm religious freedom, freedom of conscience, equality and non-discrimination.
- To evolve as a higher learning centre imparting knowledge and morals for Nation building; transmitting the ethos of equity and inclusion.
- Ensure leadership commitment and stakeholder participation to construct an ideal learning ambience with the principles of holistic education.
- To promote graduate attributes in tune with employment market, emphasising skill education and promotion of entrepreneurship.

➤ **QUALITY POLICY**

MES College Marampally is committed to the empowerment of students providing quality teaching, conducive learning ambience and holistic education; to evolve them as apostles of humanity and epitome of success.

➤ **CORE VALUES**

1. Quality
2. Equity
3. Inclusion
4. Skill development
5. Service to society
6. Empowerment

MES COLLEGE MARAMPALLY

MES College Marampally is a Government Aided college affiliated to Mahatma Gandhi University, Kottayam, established in the year 1995. The College has reaccredited by NAAC with A+ Grade (CGPA = 3.38) which is the first ever highest grade in the State as per the revised process of accreditation. The campus is located in a rural area between the towns of Aluva and Perumbavoor, set in salubrious lush green surroundings in close vicinity of the river Periyar and proximate to Cochin International Airport.

The governance and the management of the college are anchored in the principles of Muslim Educational Society (Regd.), Calicut which is one of the largest minority educational agencies in Kerala. The establishment facilitated new directions in the field of higher education by offering a significant number of vocational (Model II) and technical programmes in tune with the demands of job market. The introduction of Vocational programmes when the UGC launched B.Voc. programmes bolster its mission statement "to promote higher and technical education". The larger enrolment of girls and minority students authenticate the institutional commitment towards equity and inclusion. Quality education is imparted to improve the life standards of people in general, minorities and backward classes in particular.

The College offers Seventeen UG Programmes and Nine Post Graduate programmes which includes five B.Voc. programmes. The Institution also gives due importance to integration of research with the academic activities and ensures a dynamically symbiotic student-neighbourhood community relationship.

IQAC (INTERNAL QUALITY ASSURANCE CELL)

Objective: To promote the academic and administrative performance of our College, through conscious, consistent and catalytic action.

Establishment: The college has established IQAC in the year 2004 following the accreditation of the college by the National Assessment and Accreditation Council (NAAC). The College has undergone their cycles of accreditation till to the date.

Functions of IQAC

- Development and application of quality benchmarks/parameters in various activities of the institution.
- Dissemination of information on quality aspects.
- Organization of discussions, workshops, seminars and promotion of quality circles.
- Recording and monitoring quality measures of the institution.
- Acting as a nodal agency of the institution for quality - related activities. Preparation of the Annual Quality Assurance Report and such other reports as may be decided from time to time.

The IQAC derive major support from the already existing units and mechanisms that contribute to the functions listed above.

Composition of IQAC

Dr. A. Biju, Principal (Chairman)

M.A. Mohammed (Chairman, College Managing Committee)

Adv. Abul Hassan (Secretary & Correspondent, College Managing Committee)

Dr. K.A. Zakkariya (External Expert)

Dr. Manzur Ali P.P. (IQAC Coordinator) .

Dr. Bindu Jamal (IQAC Assistant Coordinator)

Ms. Leena C.Sekhar (Department of Computer Applications)

Ms. Jaseena K.U. (Department of Computer Applications)

Mr. Sam Kollannore (Department of Electronics)

Dr. Jasmine P.M. (Department of Electronics)

Dr. Farzana S. Hussain (Department of Commerce)

Mr. K.P. Muhammed Sherief (Head Accountant)

Dr. Radha Raveendran (Vice President, PTA)

Mr. Muhammed Rafeek. P.K. (Alumni Representative)

QUALITY CIRCLE

In order to maintain high standards in the various curricular and extra-curricular activities, a forum has been mooted to monitor them. The forum consists of the steering committee members of NAAC and a selected student representative from each class.

RESEARCH AND INNOVATION

1. Research Promotion Council

Objectives

- To promote and coordinate multidisciplinary research in Science and Technology, Languages, Commerce and Social Sciences.
- Encourage faculty to conduct research in their respective fields and thereby promoting better transaction of knowledge to the student community.
- Encourage and support student research projects.
- Conduct Research methodology Workshops for students and faculty.
- Encourage student paper presentation in various academic platforms.
- Create a conducive environment in the campus to promote collaborative research among faculty and students from various departments.
- Develop educational collaborations with Industry, other colleges, Universities and institutions of higher learning.

2. IEDC

IEDC serve as a key platform for fostering innovation and entrepreneurship among students. Our IEDC is associated with Kerala Startup Mission (KSUM) formerly is the nodal agency of Government of Kerala for entrepreneurship development and incubation activities in Kerala, India. The primary objectives of KSUM is to undertake the planning, establishment and management of technology business incubators/accelerators in Kerala, so as to promote technology based entrepreneurship activities and create the infrastructure and environment for promoting high technology based business activities.

IEDC and incubation cell

Objectives of our IEDC is to strengthen the entrepreneurship development activities in our college, promoting knowledge driven and technology based startup ventures by students and faculties, planning and implementing industry institute linkages and networking etc. For this IEDC of the college offers variety of programs to students at free of cost. The objectives of IEDC is to create job providers among the college students, to fund seminars and workshops in the college and to provide monetary support to students to participate for academic events outside the college (e.g: Reg. fee).

Activities offered by IEDC

- Entrepreneurship Awareness Camps
- Ideation workshop
- Design Thinking workshops
- Talk with successful entrepreneurs

- Industrial Visits
- Women entrepreneurship program
- Innovative Workshops and seminars
- Other relevant workshops like IOT, Web designing, Android, Robotics, etc.

Facilities Available

- Well equipped IEDC/Incubation Room (seating capacity is 25)
- Computer system with high-end specifications
- Trained Nodal officer and 4 other coordinators

3. IIC - Institution's Innovation Council

Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are informative years.

MIC has envisioned encouraging creation of 'Institution's Innovation Council (IICs) across selected HEIs. A network of these IICs will be established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campuses.

Major focus of IIC

- To create a vibrant local innovation ecosystem.
- Start-up supporting Mechanism in HEIs.
- Prepare institute for Atal Ranking of Institutions on Innovation Achievements Framework.
- Establish Function Ecosystem for Scouting Ideas & Pre-incubation of Ideas.
- Develop better Cognitive Ability for Technology Students.

4. IPR Cell

An IPR cell has formed in the institution on November 26, 2015 based on the staff council decision of August 5, 2015.

Objectives

CREDIT POINT AND CREDIT POINT AVERAGE

- Credit Point (CP) of a paper is calculated using the formula:- $CP = C \times GP$, where 'C' is the Credit and 'GP' is the Grade point
- Semester Grade Point Average (SGPA) of a Semester is calculated using the formula:- $SGPA = TCP/TC$, where 'TCP' is the Total Credit Point of that semester.
- Cumulative Grade Point Average (CGPA) is calculated using the formula:- $CGPA = TCP/TC$, where 'TCP' is the Total Credit Point of that programme. Grade Point Average (GPA) of different category of courses viz. Common Course I, Common Course II, Complementary Course I, Complementary Course II, Vocational course, Core Course is calculated using the formula:- $GPA = TCP/TC$, where 'TCP' is the Total Credit Point of a category of course. 'TC' is the total credit of that category of course.
- Grades for the different courses, semesters and overall programme are given based on the corresponding CPA as shown below:

GPA	Grade	GPA	Grade
9.5 and above	S Outstanding	5.5 to below 6.5	B Above Average
8.5 to below 9.5	A+ Excellent	4.5 to below 5.5	C Satisfactory
7.5 to below 8.5	A Very Good	3.5 to below 4.5	D Pass
6.5 to below 7.5	B+ Good	Below 3.5	F Failure

MARKS DISTRIBUTION FOR EXTERNAL AND INTERNAL EVALUATIONS

- The external theory examination of all semesters shall be conducted by the University at the end of each semester. Internal evaluation is to be done by continuous assessment. For all courses without practical total marks of external examination is 80 and total marks of internal evaluation is 20. Marks distribution for external and internal assessments and the components for internal evaluation with their marks are shown below:

- For all courses without practical
 - a) Marks of external Examination: 80
 - b) Marks of internal evaluation: 20

Components	Attendance	Assignment/ Seminar/Viva	Test papers (2x5=10)	Total
Marks	5	5	10	20

- For all courses with practical total marks for external evaluation is 60 and total marks for internal evaluation is 15.
- For all courses with practical
 - a) Marks of external Examination: 60
 - b) Marks of internal evaluation: 15

Components	Attendance	Assignment/ Seminar/Viva	Test papers (2x5=10)	Total
Marks	5	2	8	15

- For practical examinations total marks for external evaluation is 40 for internal evaluation is 10.

Components	Attendance	Test paper (1x4)	Record*	Total
Marks	2	4	4	10

- *Marks awarded for Record should be related to number of experiments recorded and duly signed by the teacher concerned in charge. All three components of internal assessments are mandatory.

- For projects
 - a) Marks of external evaluation: 80

Components	Dissertation (External)	Viva-Voce (External)	Total
Marks	50	30	80

- b) Marks of internal evaluation: 20

Components	Punctuality	Experimentation/ data collection	Knowledge	Report	Total
Marks	5	5	5	5	20

■ Attendance Evaluation for all papers

% of attendance	90 and above	85 – 89	80-84	76-79	75
Marks	5	4	3	2	1

(Decimals are to be rounded to the next higher whole number)

ASSIGNMENTS

- Assignments are to be done from 1st to 4th Semesters. At least one assignment should be done in each semester for all courses.

SEMINAR/VIVA

- A student shall present a seminar in the 5th semester for each paper and appear for Viva-voce in the 6th semester for each course.

INTERNAL ASSESSMENT TEST PAPERS

- Two test papers are to be conducted in each semester for each course. The evaluations of all components are to be published and are to be acknowledged by the candidates. All documents of internal assessments are to be kept in the college for one year and shall be made available for verification by the University. The responsibility of evaluating the internal assessment is vested on the teacher(s), who teach the course.

■ Grievance Redressal Mechanism

Internal assessment shall not be used as a tool for personal or other type of vengeance. A student has all rights to know, how the teacher arrived at the marks. In order to address the grievance of students, a three-level Grievance Redressal mechanism is envisaged. A student can approach the upper level only if grievance is not addressed at the lower level.

■ Level 1: Department Level:

The Department cell chaired by the HOD, Department Coordinator, Faculty Advisor and Teacher in-charge as members.

■ Level 2: College level

A committee with the Principal as Chairman, College Coordinator, HOD of concerned Department and Department Coordinator as members.

■ Level 3: University Level

A Committee constituted by the Vice-Chancellor as Chairman, Pro-Vice-Chancellor, Convener - Syndicate Standing Committee on Students Discipline and Welfare, Chairman- Board of Examinations as members and the Controller of Examination as member-secretary.

- The College Council shall nominate a Senior Teacher as coordinator of internal evaluations. This coordinator shall make arrangements for giving awareness of the internal evaluation components to students immediately after commencement of I semester.

- The internal evaluation marks/grades in the prescribed format should reach the University before the 4th week of October and March in every academic year.

EXTERNAL EXAMINATION

- The external theory examination of all semesters shall be conducted by the University at the end of each semester.
- Students having a minimum of 75% average attendance for all the courses only can register for the examination. Condonation of shortage of attendance to a maximum of 10 days in a semester subject to a maximum of 2 times during the whole period of the programme may be granted by the University on valid grounds. This condonation shall not be counted for internal assessment. Benefit of attendance may be granted to students attending University/College union/Co-curricular activities by treating them as present for the days of absence, on production of participation/attendance certificates, within one week, from competent authorities and endorsed by the Head of the institution. This is limited to a maximum of 10 days per semester and this benefit shall be considered for internal assessment also. Those students who are not eligible even with condonation of shortage of attendance shall repeat the semester along with the next batch after obtaining readmission.
- All students are to do a project in the area of core course. This project can be done individually or in groups(not more than five students) for all subjects which may be carried out in or outside the campus. Special sanction shall be obtained from the Vice-Chancellor to those new generation programmes and programmes on performing arts where students have to take projects which involve larger groups. The projects are to be identified during the II semester of the programme with the help of the supervising teacher. The report of the project in duplicate is to be submitted to the department at the sixth semester and are to be produced before the examiners appointed by the University. External Project evaluation and Viva / Presentation is compulsory for all subjects and will be conducted at the end of the programme.
- There shall be supplementary exams only for fifth semester. Notionally registered candidates can also apply for the said supplementary examinations. For reappearance/improvement for other semesters the students can appear along with the next batch.
- A student who registers his/her name for the external exam for a semester will be eligible for promotion to the next semester.
- A student who has completed the entire curriculum requirement, but could not register for the Semester examination can register notionally,

for getting eligibility for promotion to the next semester.

- A candidate who has not secured minimum marks/credits in internal examinations can re-do the same registering along with the University examination for the same semester, subsequently. There shall be no improvement for internal evaluation.

PATTERN OF QUESTIONS

Questions shall be set to assess knowledge acquired, standard and application of knowledge, application of knowledge in new situations, critical evaluation of knowledge and the ability to synthesize knowledge. The question setter shall ensure that questions covering all skills are set. She/he shall also submit a detailed scheme of evaluation along with the question paper. A question paper shall be a judicious mix of short answer type, short essay type /problem solving type and long essay type questions.

(a) Without practical

No:	Pattern	Marks	Choice of Questions	Total Marks
	Short Answer/problem type	2	10/12	20
	Short essay/problem	5	6/9	30
	Essay/problem	15	2/4	30
Total Marks : 80

	Short Answer/problem type	1	10/12	10
	Short essay/problem	5	6/9	30
	Essay/problem	10	2/4	20
Total Marks : 60				

RANK CERTIFICATE

The University publishes rank list of top 10 candidates for each programme after the publication of 6th semester results. Rank certificate shall be issued to candidates who secure positions from 1st to 3rd in the rank list. Candidates who secure positions from fourth to tenth in the rank list shall be issued position certificate indicating their position in the rank list. Candidates shall be ranked in the order of merit based on the CGPA scored by them. Grace marks awarded to the students should not be counted fixing the rank/position.

REGULATIONS OF THE POST GRADUATE PROGRAMMES UNDER CREDIT SEMESTER SYSTEM 2019

SHORT TITLE

- These Regulations shall be called Mahatma Gandhi University Regulations (2019) governing Post Graduate Programmes under the Credit Semester System (MGU-CSS-PG2019).
- These Regulations shall come into force from the Academic Year 2019-2020 onwards

SCOPE

- The regulation provided herein shall apply to all regular post-graduate programmes, MA/M.Sc./M.Com., conducted by the affiliated colleges/ Institutions (Government/Aided/unaided/Self-financing, and Constituent colleges of Mahatma Gandhi University with effect from the academic year 2019-2020 admission onwards.
- The provisions herein supersede all the existing regulations for the regular post-graduate programmes conducted by the affiliated colleges and centres of the Mahatma Gandhi University unless otherwise specified. These shall not apply for the programme conducted in distance/off campus and private registration mode which will continue to be in annual scheme.

PROGRAMME STRUCTURE

- Students shall be admitted into post graduate programme under the faculties. The programme shall include three types of courses, Program Core (PC) courses and Program Elective (PE) Courses. There shall be a Project with dissertation and comprehensive viva-voce as core courses for all programmes. The Programme shall also include assignments, seminars/practical etc.
- No regular students shall register for more than 25 credits and less than 16 credits per semester unless otherwise specified. The total minimum credits, required for completing a PG programme is 80.

ELECTIVE COURSES AND SEMESTER

- There shall be atleast two and not more than four elective groups comprising of three courses each for a programme and these elective courses shall be included either in fourth semester or be distributed among third and fourth semesters.
- The number of elective courses assigned for study in a particular semester shall be the same across all elective groups for the programme concerned. The colleges shall select any one of the elective groups for each programme

as per the interest of the students, availability of faculty and academic infrastructure in the institution.

- The selection of courses from different elective groups is not permitted. The elective groups selected by the college shall be intimated to the Controller of Examinations within two weeks of commencement of the semester in which the elective courses are offered. The elective group selected by the college for the students who are admitted in a particular academic year shall not be changed.

PROJECT WORK

- Project work shall be completed in accordance with the guidelines given in the curriculum.
- Project work shall be carried out under the supervision of a teacher the department concerned.
- A candidate may, however, in certain cases be permitted to work on the project in an Industrial/Research Organization on the recommendation of the supervising teacher.
- There shall be an internal assessment and external assessment for the project work.
- The Project work shall be evaluated based on the presentation of the project work done by the student, the dissertation submitted and the viva-voce on the project.
- The external evaluation of project work shall be conducted by two external examiners from different colleges and an internal examiner from the college concerned.
- The final Grade of the project (External) shall be calculated by taking the average of the Weighted Grade Points given by the two external examiners and the internal examiner.
- **Assignments:** Every college going student shall submit atleast one assignment as an internal component for each course.
- **Seminar Lecture:** Every college going student shall deliver one seminar lecture as an internal component for every course with a weightage of two. The seminar lecture is expected to train the student in self-study, collection of relevant matter from the various resources, editing, document writing, and presentation.
- **Test Papers (Internal):** Every college going student shall undergo at least two class tests as an internal component for each course with a weightage of one each. The best two shall be taken for awarding the grade for class tests.
- **Comprehensive Viva-Voce:** Comprehensive Viva-Voce shall be conducted at the end of fourth semester of the programme and its evaluation shall

be conducted by the examiners of the project evaluation. Comprehensive Viva-Voce shall cover questions from all courses in the programme. There shall be an internal assessment and an external assessment for the comprehensive Viva-Voce.

ATTENDANCE

- The minimum requirement of aggregate attendance during a semester for appearing at the end-semester examination shall be 75%. Condonation of shortage of attendance to a maximum of 15 days in a semester subject to a maximum of two times during the whole period of the programme may be granted by the University
- If a student represents his/her institution, University State or Nation in Sports, NCC, or Cultural or any other officially sponsored activities such as college union/university union etc., he/she shall be eligible to claim the attendance for the actual number of days participated subject to a maximum 15 days in a Semester based on the specific recommendations of the Head of the Department or teacher concerned.
- Those who could not register for the examination of a particular semester due to shortage of attendance may repeat the semester along with junior batches, without considering sanctioned strength, subject to the existing University Rules and Clause 7.2.
- A Regular student who has undergone a programme of study under earlier regulation/Scheme and could not complete the Programme due to shortage of attendance may repeat the semester along with the regular batch subject to the condition that he has to undergo all the examinations of the previous semesters as per the MGU-PG-CSS2019 regulations and conditions.
- A student who had sufficient attendance and could not register for fourth semester examination can appear for the end semester examination in the subsequent years with the attendance and progress report from the principal.

PROMOTION

- A student who registers for a particular semester examination shall be promoted to the next semester.
A student having 75% attendance and who fails to register for examination of a particular semester will be allowed to register notionally and is promoted to the next semester, provided application for notional registration shall be submitted within 15 days from the commencement of the next semester.

EXAMINATIONS

- There shall be University examinations at the end of each semester. Practical examinations shall be conducted by the University at the end of

each semester or at the end of even semesters as prescribed in the syllabus of the particular programme. The number of examiners for the practical examinations shall be prescribed by the Board of Studies of the programmes.

- **End-Semester Examinations:** The examinations shall normally be conducted at the end of each semester for college going student. There shall be one end-semester examination of 3 hours duration for each lecture based and practical courses.
- A question paper may contain short answer type/annotation, short essay type questions/problems and long essay type questions. Different types of questions shall have different weightage.

EVALUATION AND GRADING

- **Evaluation:** The evaluation scheme for each course shall contain two parts; (a) End Semester Evaluation (ESE) (External Evaluation) and (b) Continuous Evaluation (CE) (Internal Evaluation). 25% weightage shall be given to internal evaluation and the remaining 75% to external evaluation and the ratio and weightage between internal and external is 1:3. Both End Semester Evaluation (ESE) and Continuous Evaluation (CE) shall be carried out using direct grading system.
- **Direct Grading:** The direct grading for CE (Internal) and ESE (External Evaluation) shall be based on 6 letter grades (A+, A, B, C, D and E) with numerical values of 5,4,3,2,1 and 0 respectively.
- **Grade Point Average (GPA):** Internal and External components are separately graded and the combined grade point with weightage 1 for internal and 3 for external shall be applied to calculate the Grade Point Average (GPA) of each course.
- **Internal evaluation for Regular programme:** The internal evaluation shall be based on predetermined transparent system involving periodic written tests, assignments, seminars, lab skills, records, viva-voce etc.
- **Components of Internal (CE) and External Evaluation (ESE):** Grades shall be given to the evaluation of theory/practical/project/comprehensive viva-voce and all internal evaluations are based on the Direct Grading System. Proper guidelines shall be prepared by the BOS for evaluating the assignment, seminar, practical, project and comprehensive viva-voce within the framework of the regulation.
- There shall be no separate minimum grade point for internal evaluation. The model of the components and its weightages for Continuous Evaluation (CE) and End Semester Evaluation (ESE) are shown in below:
- **a) For Theory (CE) (Internal)**

Components	Assignment	Seminar	Best 2 Test papers	Total
Weightage	1	2	2	5

■ **b) For Theory (ESE) (External)**

Evaluation is based on the pattern of question paper

■ **c) For Practical (CE) (Internal)**

Components	Written/ Lab Test	Viva	Lab Involvement and Record	Total
Weightage	7	5	3	15

■ **d) For Practical (CE) (Internal)**

■ All grade point averages shall be rounded to two digits.

To ensure transparency of the evaluation process, the internal assessment grade awarded to the students in each course in a semester shall be published on the notice board at least one week before the commencement of external examination.

■ There shall not be any chance for improvement for internal grade.

The course teacher and the faculty advisor shall maintain the academic record of each student registered for the course which shall be forwarded to the University through the Principal and a copy should be kept in the

No.	Range	Grade Point	Grade
1	4.50 - 5.00	5	A+
2	4.00 - 4.49	4	A
3	3.00 - 3.99	3	B
4	2.00 - 2.99	2	C
5	0.01 - 1.99	1	D
6	0.00	0	E

Performance Grading

- Students are graded based on their performance (GPA/SGPA/CGPA) at the examination on a 7-point scale as detailed below.

No.	Range	Grade	Indicator
1	4.50 - 5.00	A+	Outstanding
2	4.00 - 4.49	A	Excellent
3	3.50 - 3.99	B+	Very Good
4	3.00 - 3.49	B	Good (Average)
5	2.50 - 2.99	C+	Fair
6	2.00 - 2.49	C	Marginal (Pass)
7	Up to 1.99	D	Deficient (Fail)

- No separate minimum is required for internal evaluation for a pass, but a minimum 'C' grade is required for a pass in an external evaluation. However, a minimum 'C' grade is required for pass in a course.
- A student who fails to secure a minimum grade for a pass in a course will be permitted to write the examination along with the next batch.
- Improvement of Course-** The candidates who wish to improve the grade/grade point of the external examination of a course/courses he/she has passed can do the same by appearing in the external examination of the semester concerned along with the immediate junior batch. This facility is restricted to first and second semesters of the programme.
- One Time Betterment Programme-** A candidate will be permitted to improve the CGPA of the programme within a continuous period of four semesters immediately following the completion of the programme allowing only once for a particular semester. The CGPA for the betterment appearance will be computed based on the SGPA secured in the original or betterment appearance of each semester whichever is higher. If a candidate opts for the betterment of CGPA of a programme, he/she has to appear for the external examination of the entire semester(s) excluding practicals/project/comprehensive viva-voce. One time betterment programme is restricted to students who have passed in all courses of the programme at the regular (First appearance).

- **Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) Calculations-** The SGPA is the ratio of sum of the credit points of all courses taken by a student in the semester to the total credit for that semester. After the successful completion of a semester, Semester Grade Point Average (SGPA) of a student in that semester is calculated using the formula given below.

$$\text{Semester Grade Point Average -SGPA } (S_j) = \frac{\sum(C_i \times G_i)}{\sum C_i}$$

(SGPA= Total credit Points awarded in a semester/Total credits of the semester)

Where 'S_j' is the jth semester, 'G_i' is the grade point scored by the student in the ith course and 'C_i' is the credit of the ith course.

Cumulative Grade Point Average (CGPA) of a Programme is calculated using the formula:-

$$\text{Cumulative Grade Point Average (CGPA)} = \frac{\sum(C_i \times S_i)}{\sum C_i}$$

(CGPA= Total credit points awarded in all semesters / Total credits of the programme)

Where 'C_i' is the credits for the ith semester 'S_i' is the SGPA for the ith semester. The SGPA and CGPA shall be rounded off to 2 decimal points .

For the successful completion of semester, a student shall pass all courses and score a minimum SGPA of 2.0. However, a student is permitted to move to the next semester irrespective of her/his SGPA.

AWARD OF DEGREE

- The successful completion of all the courses with 'C' grade within the stipulated period shall be the minimum requirement for the award of the degree.

MONITORING COMMITTEE

- There shall be a Monitoring Committee constituted by the Vice-chancellor to monitor the internal evaluations conducted by institutions.

RANK CERTIFICATE

- The University shall publish the list of top 10 candidates for each programme after the publication of the programme results. Rank certificate shall be issued to candidates who secure positions from 1st to 3rd in the list. Position certificate shall be issued to candidates on their request.
- Candidates shall be ranked in the order of merit based on the CGPA secured by them. Grace grade points awarded to the students shall not be counted for fixing the rank/position. Rank certificate and position certificate shall be signed by the Controller of Examinations.
