

INTERNATIONAL WEBINAR

“MENTAL HINDRANCES TO GOAL ATTAINMENT”

RESOURCE PERSON

MS. NEETHI ASHOK

Currently the Director of a computer wholesale/retail business in Australia. She also works in the state government in their business intelligence division. She has 18 years of corporate experience. In 2016, she started her own company called PC MART Pty Ltd dealing with IT parts, systems and peripherals and still continuing with the business. Even though most of her career was spent in Engineering and IT field, she has a passion to understand more about human potential development.

ABOUT THE TOPIC

The webinar is about what the mental blocks are and how these blocks can become the mental traps that can affect anyone from reaching their full potential.
