

## **MES COLLEGE MARAMPALLY**

### **IPR CELL**

#### **Activity Report 2023-24**

Intellectual property is a category of property that includes intangible creations of the human intellect, and primarily encompasses copyrights, patents, and trademarks. It also includes other types of rights, such as trade secrets, publicity rights, moral rights, and rights against unfair competition. Artistic works like music and literature, as well as some discoveries, inventions, words, phrases, symbols, and designs can all be protected as intellectual property. The IPR cell of the college aims to create awareness on IPR among the stakeholders of the Institution. To create awareness and educate on Intellectual property rights (IPR) among faculty and students of the college. The committee members are listed below.

<b>Sl. No.</b>	<b>Department</b>	<b>Faculty Member</b>

## **Event: Intellectual Property Rights in Software –What They Are and How to Protect Them: -Department of Computer Applications associated with IPR Cell 18/08/23 Friday**

The seminar was conducted by Department of Computer Applications in association with IPR Cell of MES College Marampally on 18th of August 2023. Venue of the event was Silver Jubilee Hall of the college. The program started by 10:30 am with a silent prayer. The program was coordinated by Dr. Julie M David, and presided by Dr. Jaseena K U. It was anchored by Arathi Biju of 3rd year BCA and the dignitaries were welcomed by herself. Then the seminar on the topic ‘Intellectual Property Rights in Software-what they are and how to protect them’ was led by Adv. Mohan Raj T P.

The session was useful to students. The speaker delivered session on topics which a software student should know along with general knowledge about intellectual property rights. He also discussed the importance of securing properties with the help of copyrights and patents. As an advocate he was also able to share knowledge on the legal approach of acquiring copyright for a software. Students were able to know punishments for violating copyright act and laws for them. Current days situations and issues for copyright and patents and new laws that are going to be implemented were also discussed.

Feedback for the session was provided by student from 2nd year BCA. After that the resource person was honored by a memento handed over Dr. Jaseena K U of Computer Applications Department.

The event was called off with the vote of thanks delivered
