From electing new committee members to implementing key decisions in our executive meetings, the PTA has played a pivotal role in shaping the academic and co-curricular landscape of our institution. We have strived to provide essential support services, recognize outstanding achievements, and contribute to the continuous improvement of educational facilities and resources.

This report details the initiatives, achievements, and contributions of the PTA during the academic year 2018-19, reflecting our dedication to nurturing a conducive learning environment and celebrating the accomplishments of our students and faculty. We extend our heartfelt appreciation to all members, stakeholders, and partners who have collaborated with us in achieving these milestones.

Considering the hygiene of girl students, PTA has purchased three sanitary vending machines and two incinerators. PTA took steps to give remuneration for the teachers involved in remedial coaching. Also gave financial support to two students and one faculty

member to present their papers abroad. Recognizing and honoring the achievements of our students and faculty, including A+ holders, the Best Outgoing Student, college bus drivers and distinguished PhD holders, Dr. Rafeeka Mol, Dr. Farzana Hussain, and Dr. Murugan R., underscores our appreciation for academic excellence and dedication. PTA appreciated the whole hearted efforts of the Executive members of 2018-19 for their valuable guidance and support they extended during the NAAC visit.

As we express gratitude to the executive members, stakeholders, and partners who have supported us throughout the year, we also acknowledge the invaluable role of the entire college community in our endeavors. Your participation and collaboration have been instrumental in making these achievements possible.
