

MES COLLEGE MARAMPALLY

Research Promotion Council

Report 2023-24

The College has a **Research Promotion Council (RPC)** that aims to promote and coordinate research activities across disciplines like Science and Technology, Languages, Humanities, Social Sciences, and Physical Education. RPC encourages the faculty to conduct research in the respective field and share knowledge between them and the student community. RPC tries to create passion among the students and faculty members for research and innovation. We also provide a platform for the students and faculty members to present their academic findings via monthly paper presentation sessions and publish the articles in the FORTIS journal. **FORTIS is a multi-disciplinary, peer-reviewed print research journal bearing International Standard Serial Number (ISSN) 2320-6989.**

One day Faculty Development Programme on A guide to Research Publications on 26 September 2023

Research Promotion Council in association with Department of Human Resource Management, Department of Fashion Design and Management, MES College Marampally jointly organized a One day Faculty Development Programme on the topic '**A guide to Research Publications**'. The event commenced with a Prayer by Ms. Akhila (Student MA HRM). Dr. Jaseena K U, Coordinator of RPC welcomed the gathering. Dr Ajims P Mohammed, Principal, MES College Marampally, gave the Presidential address. The keynote speaker for the day was Mr. **JOSE JOHN**, Research Scholar, School of Management Studies , CUSAT.

The session centered around the theme "A Guide to Research Publications" with primary emphasis on highlighting the significance of Research and Research Publications. It also covered areas such as Publishing research articles in various journals, AI tools that help in Research and Ethics in Research Publications. The session provided a thorough and comprehensive exploration of every crucial aspect of the topic.

The participants came from both within and outside the college. The participants comprised of students from Nirmala College, UC College, MES Edathala, and MA College Ramapuram. Additionally, there were students and faculty members from various departments of MES College Marampally, bringing the total number of participants around 140. The program concluded with the distribution of certificates and ended with the National Anthem.

Paper Presentation: 25 March 2024 @ 10.30 am

RPC organized the paper presentation series for the academic year 2023-24 on 25-03-2024 at 10.30 am at Main Block Conference Hall. **Dr. Priya Chandran**, Assistant Professor, Department of Logistics Management chaired the session. Ms. Jasmin S and Ms. Sulfath CY coordinated the programme. In the session, Dr. Priya Chandran provided her insights on effective paper writing techniques, greatly benefiting the students. Her presentation was invaluable, offering practical strategies and guidance for improving writing skills. Her expertise and clear communication resonated well with the audience, making the session highly informative and engaging. Through her expertise, students gained a deeper understanding of the writing process and how to convey their ideas effectively. Overall, Dr. Priya's session left a lasting impact, empowering students to become more proficient and confident writers in their academic pursuits. The list of papers presented are given below:

Paper Presentations:

- 1. Women's Prison Literature - An Unexplored Tradition in Literature** by **Khadeeja Farisa M , Farsana Nazrin**, Department of English, MES College Marampally
- 2. The Representation of Climate Change in the Media** by **Jahan Bismi** and **Merin K Biju**, Department of English, MES College Marampally

Research Proposals 2023-24

Research proposals were invited from faculty members of MES College Marampally. The main objective of this scheme is to provide research support to active researchers to undertake research and development under the following disciplines:

1. Science and Technology
2. Social Science and Humanities

Research proposals were invited and grants of 50,000 rupees each were awarded to three faculty members, namely Dr. Sam Kollannore U, Department of Electronics, Dr. Nisha P, Department of Biosciences and Mr. Rafeeq C M, Department of Biosciences. The grants aimed to support innovative research endeavors across various disciplines within the institution. Following the disbursement of funds, the faculty members commenced their research projects, utilizing the financial support to advance their respective studies.

Upon completion, each faculty member should submit a comprehensive report, outlining their methodologies, findings, and conclusions. These reports provide valuable insights into the diverse research activities undertaken by the faculty, contributing to the academic enrichment of the institution.

NOTICE

14-12-2023

The management committee has sanctioned seed money for the project proposal submitted by esteemed faculty members of MES College, Marampally to the Research Promotion Council. The Management has approved a grant of **Rs. 50,000/- (Rupees Fifty Thousand)** for each project to support the initiation and development of the proposed project. This financial support is intended to facilitate the initial stages of the project, aiding in research, development, and other associated expenses. We believe that this project holds significant promise and aligns with our commitment to fostering a culture of innovation and research within our academic community.

Congratulations to the faculty members!!

Sl. No.	Title of the Project	Principal Investigator	Co- Investigator
1	Design and Development of Dual Band Circularly Polarized Microstrip-fed Planar Antenna for UWB Applications	Dr. Sam Kollannore U	Ms. Sheeba Varghese
2	Media Optimization for the Production of Hydrophobins from <i>Pleurotus Florida</i> and Development of Recombinant Expression Systems	Mr. Rafeeq C M	Ms. Resiya Karim
3	Bioprocessing of Ag Nanoparticles from Marine Bacteria as a Novel Antimicrobial Cytotoxic Agent for Waste Water Treatment	Dr. Nisha P	Ms. Sajeena T A
